Brief Description	Facial emergeny escape mask with filter ADR
Mask type	Facial
Cleaner type	A2B2E2K2P3
Size	one
CE mark	Yes
Compliant	ADR 8.1.5.3
Package	of 1 piece

Description

Mask complete with suitable filter as required by ADR section 8.1.5.3.
Constituent materials do not cause allergy or irritation.
Universal size panoramic mask with EPDM facepiece and polycarbonate screen. Adaptability to any type of face with more than 99.95% tightness. Easy maintenance, washing and disinfection. Large, easily replaceable polycarbonate panoramic screen with reinforced synthetic resin armor.
Perfect demisting of the screen.
Two exhalation valve assemblies equipped with compensating pre-chambers. Standard polycarbonate screen with high impact resistance and resistant to even concentrated acids.
Each transport unit containing dangerous goods must be equipped with general and individual protective equipment according to 8.1.5.2. The ADR bags provided contain the necessary personal equipment for one operator only.
In case there is more than one operator on the vehicle, it is necessary to equip each of them with the personal equipment required by the type of goods being transported.
The personal equipment we provide complies with both ADR and traffic code requirements.
