Use	Packages
Material	Paper
Package	Pack of 50 pieces
Dimensions	100 x 100 mm
Country of origin	Italy

**For shipping:**

✓ ADR ✓ RID ✓ ADN ✓ IMDG ✓ IATA

Description

FRAGILE labels can be used when you **ship or carrier fragile goods** with the aim of signaling that the packaging contains fragile goods and will therefore be moved with caution.

They have a permanent adhesive, an indoor and outdoor life of 2 years, with prefabricated diagonal cuts on the back to facilitate detaching the labels.

The products come in thermowrapped packs and are made in Italy.

The adhesive is such that the information will still be identifiable on packages surviving at least 3 months immersion in the sea, as required by the IMDG Code (5.2.2.2.1.7).

The labels comply in shape, colour, format, symbol and text to the specifications as required by the Regulations on the Transport of Dangerous Goods.
