### Description

**Environmentally Hazardous Substances** marks (Marine Pollutant Mark) must be used when you ship or carrier the goods that are classified Marine Pollutant in reference to GHS/CLP.

PVC adhesive applied on the folding panel has an internal and external durability of 5 years.

The products come in thermowrapped packs and are made in Italy.

The labels comply in shape, colour, format, symbol and text to the specifications as required by the Regulations on the Transport of Dangerous Goods.
