### Description

"**Package orientation, fragile, keep dry**" labels can be use when you ship or carrier liquid, fragil goods that must be protected form water and dry.

Dimension mm **230×120**, in **paper**, in **pack of 50** labels each.

They have a permanent adhesive, an indoor and outdoor life of 2 years, with prefabricated diagonal cuts on the back to facilitate detaching the labels.

Suitable for fibreboard boxes, steel drums, plastic jerricans, etc...

High initial adhesion combined with a strong permanent sticking, assures an excellent functionality.

The product is in thermowrapped pack, and it is made in Italy.

The adhesive is such that the information will still be identifiable on packages surviving at least 3 months immersion in the sea, as required by the IMDG Code (5.2.2.2.1.7).

The labels comply in shape, colour, format, symbol and text to the specifications as required by the Regulations on the Transport of Dangerous Goods.
