TECHNICAL DATASHEET

Code	ONP0912-BPLT
Brief Description	Inflatable dunnage airbags, AAR Level 1, cm 90 × 120h, Bulk 1100 bags
Material	PP exterior - PE interior

Description

This dunnage airbag is ideal for preventing your goods from shifting during transport. It helps avoid cargo damage by stabilizing, protecting, and separating loads inside containers. It also enhances worker safety during unloading operations and is more cost-effective than any traditional load-securing method. The Bulk packaging format allows you to optimize purchasing costs, making it an excellent solution for companies managing multiple sea freight shipments.
